No.CG/PG/Circular/2009/223

Date: 26/5/09

CIRCULAR NO.10 OF 2009

Sub: Compliance of important legal formalities in prosecution of IP applications.

There are clear cut provisions in the IP laws administered by CGPDTM about who can prosecute the concerned IP application. But many instances have come to my notice that persons who are not authorised to prosecute the applications are doing the same in various IP offices. Needless to say that such practices are not only illegal but

Officials shall not cause any inconvenience to legitimate persons prosecuting the IP application.

- b) Officials are directed not to entertain any communication from unauthorized persons..
- c) It has to be ensured that the Power of Attorney accompanying the application is executed by authorised persons only.
- d) The Technical Head who is the public face of the concerned IP office or the officials attached to him only shall meet the general public or any other interested persons on general issues. Technical Heads may fix a **2 hrs** duration on all working days for such meeting with general public.

The Technical Heads shall ensure strict compliance of this Circular in their respective offices.
