It has come to my notice that certain notices in the Patent Office regarding
amendment of Amendment in Section 10(2)(b) of the Patent Act (as amended) and
with rule 32 of the Patent Rules, 2003 are submitted for limited copy to certain
specification, abstract and drawings of the patent with the application. Copies of the
amendment specification, abstract and drawings are not being allowed for inspection and supply of copies
to the public. It is requested that the public should be allowed to inspect and supply of copies.

Therefore, in the interest of transparency Patent Office will make available the
amendment specification, abstract and drawings of the patent for inspection and supply of copies
including amendment specification, drawings and abstract, if any filed.
